Dear Ms. Warren,

At its meeting of October 16, 2015, the Board of Directors of the Wakulla Springs Alliance unanimously agreed to endorse the attached comments originally submitted by the Defenders of Wildlife and the Florida Wildlife Federation concerning the PD&E study for widening U.S. 319 through a portion of Edward Ball Wakulla Springs State Park.

Please accept this letter as a formal expression of WSA's full and complete agreement with the findings and recommendations contained in the comments dated October 9, 2015. We appreciate your extending the deadline for submitting our comments about the PD&E study.

If you have any questions about our comments, please do not hesitate to contact me at mcglynnlabs@gmail.com or Bob Deyle at rdeyle@fsu.edu.
